December Special Photo Event 2012

An Exciting Five-Day Photo Event, Featuring Triple D's Best In Winter Conditions!

Come to the Triple "D" Game Farm for 5 days of spectacular wildlife photography, featuring adult and young species running, stalking and posing in powder snow. All species will have their thick winter fur. Pick the species of your choice and photograph with a small group at significantly discounted rates. A minimum selection of 6 is required.

An organizational meeting is scheduled for 8:00 a.m. December 7th in the Triple D Office for all participants attending the December Special. After all participants have made their final selection of sessions, a filming schedule will be prepared, consolidating all requests. Additional sessions can be included during the special. Additional sessions may be offered and will be announced during the event.

Most film sessions will include 3-5 participants with a maximum of 10. December 10th and 11th are "open dates" in the event of inclement weather. If the "open dates" are not utilized for make-up sessions, those days will be available for participants to continue photographing any species in our selection list or for special requests. Participants should plan on attending a minimum of the first four days.

Listed below are the tentative filming sessions planned for the December Special. Animals will be exhibited in natural settings that include the following habitat types: stream, pond, willow, cottonwood, spruce-fir, rocky granite, aspen, creek, and more. Snow is very possible this time of year.
