## November Special Photo Event 2012

### An Exciting Five-Day Photo Event, Featuring the Triple D's Best In Winter Conditions!

Come to the Triple "D" Game Farm for 5 days of spectacular wildlife photography. Pick the species of your choice and photograph with a small group at significantly discounted rates. A minimum selection of 6 photo sessions is required.

An organizational meeting is scheduled for 8:00 a.m. November 9<sup>th</sup> in the Triple D Office for all participants attending the **November Special**. After all participants have made their final selection of sessions, a filming schedule will be prepared, consolidating all requests. Additional sessions can be included during the special. Additional sessions may be offered and will be announced during the event.

Most photography sessions will include 3-5 participants with a maximum of 10. November 12<sup>th</sup> and 13<sup>th</sup> are "open dates" in the event of inclement weather. If the "open dates" are not utilized for make-up sessions, those days will be available for participants to continue photographing and species in our selection list or for special requests. Participants should plan on attending a minimum of the first four days.

Listed below are the tentative filming sessions planned for the November Special. Animals will be exhibited in natural settings that include the following habitat types: stream, pond, willow, cottonwood, spruce-fir, rocky granite, aspen, creek, and more.

### Animals Species Tentatively Available:
