## March Special Photo Session 2012

### An Exciting Five-Day Photo Session Featuring Triple Ds Best!

Come to Triple D Game Farm for 5 days of spectacular wildlife photography. Pick the species of your choice and photograph with a small group at significantly discounted rates. A minimum selection of 6 species is required.

An organizational meeting is scheduled for 7:00 am on March 2nd at the Triple D Office for all participants attending the March Special Session. After all participants have made their final selection of sessions, a filming schedule will be prepared consolidating all requests. Additional sessions may be offered and will be announced during the event.

Most sessions will include 3 to 5 photographers with a maximum of 10 participants. March 7-8 are “open dates” in the event of inclement weather. If the open dates are not utilized for make-up sessions, those days will be available for participants to continue photographing any species in our selection list or for special requests. We ask that all participants plan to attend a minimum of the first four days of the event. Pick your species and location and Triple D will model the animal for you!

Listed below are the tentative filming sessions planned for the March Special Session. Animals will be exhibited in natural settings that include the following habitat types: stream, pond, willow, cottonwood, spruce-fir, rocky granite, aspen, creek and more. Snow is very possible at our filming locations during the first of March.
