Come to the Triple "D" Game Farm for 5 days of spectacular wildlife photography, featuring adult and young species running, stalking and posing in winter conditions. All species will have their thick winter fur. Pick the species of your choice and photograph with a small group at significantly discounted "*Holiday Special*" rates. **A minimum selection of 6 is required.**

An organizational meeting is scheduled for **8:00 a.m. December 8th** in the Triple "D" Conference Room for all participants attending the "*Holiday Special*". After all participants have made their final selection of species a filming schedule will be prepared, fulfilling all requests. All additional sessions are offered at \$150 per session/per participant. Some species require a minimum number of participants.

Most film sessions will include 3-5 participants with a maximum of 10. Participants should plan on attending a minimum of the **first four days**. Participants will have an opportunity to select additional sessions. Pick any species listed in this brochure and the Triple "D" will exhibit the animal(s) for you.

Listed below are the tentative filming sessions planned for the *"Holiday Special"*. Animals will be exhibited in natural settings that include the following habitat types: pond, willow, cottonwood, spruce-fir, rocky granite, aspen, and more. Snow is very possible this time of year.
