

JULY SPECIAL PHOTO EVENT 2017

JULY 7-11, 2017 ~ FIVE-DAY WILDLIFE PHOTOGRAPHY EVENT
FEATURING TRIPLE D'S BABY ANIMALS & ADULTS WITH BABIES

Come to Triple “D” Game Farm for an extended weekend of spectacular wildlife photography. Pick the species of your choice and photograph with a small group at significantly discounted rates. Most photo sessions will include 3–5 participants with a maximum of 10. A minimum selection of six photo sessions is required to participate in the July Special Photo Event.

Animals will be featured in natural settings that include the following habitat types: stream, pond, willow, cottonwood, spruce-fir, rocky granite, aspen, creek, ridge top and more. Participants should plan on attending at least a minimum the first four days. Pick your species and locations and the Triple “D” will provide the animals for you!

An organizational meeting is scheduled for July 7th, 2017 at 6:00 a.m. for all photographers participating in the annual July Special at the Triple “D” Office. After all participants have made their final selection of sessions, a filming schedule will be prepared, consolidating all requests. Additional sessions may be offered and will be announced at the time of the Special.

TENTATIVE PHOTO SESSIONS AVAILABLE FOR JULY 7-11, 2017

Please note the listing below is tentative and cannot be guaranteed, due to the fact that none of the babies are born at the time of this announcement. Some species require a minimum number of participants.
