MAY 19-23, 2017 ~ AN EXCITING FIVE-DAY PHOTO EVENT

FEATURING CANINE BABIES AT THE DEN SITE!

Come to Triple “D” Game Farm for an extended weekend of spectacular wildlife photography. Participate in a minimum of 6 sessions with the best that Triple “D” has to offer in spring conditions. Pick the species of your choice and photograph with a small group at significantly discounted rates.

An organizational meeting is scheduled for 6:00am on May 19th at the Triple “D” Office for all participants attending the May Special Event. After all participants have made their final selection of sessions, a filming schedule will be prepared consolidating all requests.

Additional sessions may be offered and will be announced during the event. Most sessions will include 3 to 5 photographers with a maximum of 10 participants. May 22nd- 23rd are often “open dates.” If the open dates are not utilized for make-up sessions, participants will have the opportunity to photograph other available species or special requests. Pick your species and location and Triple “D” will present the animal for you!

Animals will be placed in natural settings that include the following habitat types: stream, pond, willow, cottonwood, spruce-fir, rocky granite, aspen, creek, wildflowers and more.

Participants should plan on attending at a minimum the first four days. Pick your species and location and Triple D will present the animal for you!
